## Who We Are

TEAM Concepts is one of the leading staffing providers in the South Florida area. We work closely with our client corporations to provide the best talent in today's competitive marketplace. Our goal is to build long-term partnerships with our clients. For the companies that we support, we aim to fully understand your business strategies and staffing requirements both immediately and for the future. Our objective is to match the right talent to the right job each and every time.

We are a local, Woman Owned business established in 1995. Unlike national competitors, we reinvest our resources in the surrounding community.

We customize our approach to solving clients' staffing issues.

We offer state-of-the-art technology and unparalleled resources that allow us to deliver more targeted results and faster service to our clients.

We have the flexibility and personalized service that can only come from working with an established South Florida firm.

## **TEAM Concepts is here to help by Streamlining Your Hiring.**

We are the experts in finding the right talent. With over 25 years of experience, we can deliver flexible quality staffing solutions that:
